

Application for Undergraduate Research in the Life Sciences at ECU

Thank you for your interest in research experience in the life sciences. Please fill out this form as completely as possible and return it to Dr. Stephen Richter, Moore Science Building 235 or e-mail to stephen.richter@ecu.edu. Please write legibly or type the form.

Name: _____ Student ID #: _____

Phone: _____ E-mail: _____

Address: _____

Major: _____ Minor (if any): _____ GPA: _____

semesters at ECU: _____ # semesters in college: _____ Expected graduation date: _____

Biology courses taken: _____

Other science courses taken: _____

What are your plans after you graduate from ECU? _____

What are your career goals? _____

Organism of interest for research (check all that apply): unsure bacteria fungi plants
 invertebrates vertebrates

If vertebrates: fish amphibians reptiles birds mammals

Specific organism of interest (if known): _____

Field of interest (check all that apply): biomedical sciences genetics microbiology
 molecular/biochemical taxonomy conservation biology ecology natural history
 evolution behavior bioinformatics other: _____

Desired level of involvement (check all that apply):
 attend discussions of scientific papers
 assist graduate student or faculty in research
 develop independent project
 attend research seminars
 shadow a graduate student or faculty
 conduct research with/under faculty
 attend periodic trips for field experience

What are your interests, hobbies, awards, honors and work experiences (attach additional sheet if needed)? _____

Are you in the EKU Honors Program? Yes No

Have you done research previously? Yes No. If yes, where and briefly describe: _____

Why are you interested in gaining research experience? How will it help you? _____

When would you like to begin? _____

Are you available during the summer months? Yes Yes, but limited times No

Please contact our Coordinator of Undergraduate Research with any questions:
